NOTICE TO ALL GRADING PERMIT APPLICANTS

July 21, 2006

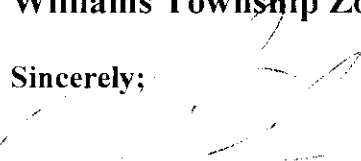

Dear Applicant:

Prior to the issuance of a grading permit you will be required to stakeout your proposed construction project, stakeout the driveway and erect all silt fencing and any other requirements noted on the approved Grading Plan. Items such as but not limited to Rock Construction Entrance, Rock filters, etc. When this is accomplished you then call this office for an inspection. We will then visit the site to check for compliance and if all design specifications are completed a grading permit will be issued so that construction can commence.

Two (2) site inspections are included with the initial Grading Fee. Additional sites inspections will be charged at \$ 50.00 per site inspection.

Foundation location plans (three (3) copies) will be submitted to Williams Township Zoning Office before framing proceeds.

Sincerely;

Richard Adams, Zoning Officer/
Building Code Administrator
