

Snow Shoveling Tips

PennDOT offers tips on shoveling your driveway to avoid being plowed in. After a snowstorm, how many times have you shoveled your driveway only to have it plowed in? PennDOT suggests that you clear an area to the right of your driveway (as seen in the diagram below) to give the snow on the blade of the plow a place to empty before it gets to your driveway. This way you won't have to do the same job twice. PennDOT also reminds you that it is illegal to push snow from a parking lot or driveway onto a state highway.
